Your total to be raised will need to be turned in a month and a half before your leave date. Are you able to make this commitment (see itemized cost below)? If, so how do you hope to raise your funds? If the total amount is not raised by that time, we will have to ask you to wait until another time to serve on a trip. In the case that you do not raise the proper amount by your due date, the money will be returned to your donors by Making Roots.**
